D-Line Safe D Clips and DEWALT C5 Gas nailing cable management fixing system.

Dear Sirs,

The D-Line range includes patented PVC decorative trunking to provide a quick, easy and affordable designer solution for surface cable installations.

D-Line fire-rated Safe-D Clips effectively secure cables in compliance with BS7671:2008 A3 part 521.11 (also compliant with regulation 422.2.1) whether fixed direct to structure or inside any PVC trunking systems from 25x16mm up to 50x50mm.

D-Line are pleased to recommend the **DEWALT C5 gas actuated tool and XH nail** to effectively secure the Safe-D Clip systems whenever gas nailing is appropriate.

Approvals:

Safe-D Clip

Exova Warrington Fire rated, confirming compliance to BS5839 part 1 section 26.2e

DEWALT C5 gas actuated tool nails, XH 22mm, XH 27mm. ETA approved
(ETA-13/0407) DIBt.

Yours faithfully,

On behalf of D-Line (Europe) limited
