TELESCOPIC POLES FOR CONES

ADAPTABLE TO SUIT ANY OFF ROAD HAZARD

These telescopic poles for traffic cones provide a quick and efficient way to restrict access to an area. They offer an effective solution to protect pedestrians as well as road users from any off road situation that signifies a hazardous area, from loading bays to mounds of soil.

**AVAILABLE IN
TWO COLOUR
COMBINATIONS**

TELESCOPIC POLE FEATURES

✓ MULTIPLE CONFIGURATIONS

- Designed to fit over two traffic cones to provide quick and easy demarcation. The end loops allow free movement across a 360 degree pivot from one stationary cone. It is also possible to cordon off larger areas by simply adding more cones and poles.

✓ EASY TO CONNECT

- Cone poles feature 100mm loops at each end and are designed to suit any JSP 75cm traffic cone.

✓ EASY TO STORE

- The poles can be collapsed to their minimum length and stored in a compact space. 20 poles packed per carton.

✓ VERSATILE

- The telescopic poles for cones can be used in any off road situation indoors or outdoors.

✓ EXTENDABLE

- Extends from 1100mm to 2200mm making the poles adaptable and versatile for various applications.
