### 20,000 Lumen Rechargeable Lighting Kit

The Sport Star is the newest Sports Floodlight in our range and has been designed to give maximum performance with safety in mind. With its new Air Cushioned 3.5M aluminium tripod it is now very safe to use.

The 4 sections will collapse down slowly to a compact 96cm length which fits into its waterproof bag with light head and accessories and fits easily into a boot of most cars.

#### Kit includes:

**4 Section air cushioned safety tripod.  
Very safe to dismantle.**

**New improved optics now  
2X the light output  
of previous models.**

**Lithium  
18Ah battery**

**3 x Stability  
ground pegs  
included.**

**The sports bag easily fits in the boot of a car,  
with shoulder strap's and carry  
handles for easy transportation.**

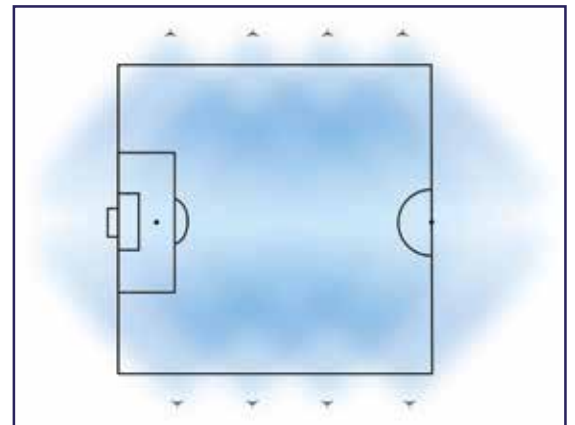

**Bag size:  
98 x 20 x 20cm**
