↖ Superb entry level machine for the professional

↘ Supplied complete with:
TriTech T360 airless gun
TriTech Contractor 517 tip
7.5m textile braided airless spray hose assembly

For two years from date of purchase the QP019 is warranted under normal use and service against all manufacturing defects.

The replacement of all wearing parts including the packings, prime valve and piston due to normal in-service wear and tear is not covered by this warranty. Where servicing has not been carried out at the recommended intervals this could invalidate the warranty.

Use to spray

↘ Emulsion, interior and exterior
↘ Top coats
↘ Wood preservatives and most other low viscosity water or solvent based coatings.

Exterior masonry coatings and some interior emulsions may need thinning in line with recommendations.

Suitable for smooth coatings only.
