

MAKE IT LAST.

SLS18BL-L, MW STAPLER, SELECTABLE

LS62H1BL

The SLS18BL-L is a small but strong narrow crown stapler. It can drive staples from 16 to 38mm in length: perfect for applications like picture frames and craft assembly. The tool is part of the SENCO SemiPro range. Built to our strict standards and offering incredible value for money, the SemiPro range is designed for light-duty, semi-professional and DIY applications. SemiPro tools feature restrictive trigger action for maximum safety and are covered by Senco's 1-Year Warranty.

APPLICATIONS

Cabinets, furnitures, paneling, siding, soffits
