

### **DISCLAIMER**

*This manual is intended to instruct the user on the operations peculiar to the CL430 Lathe and CL500M Lathe/Mill Drill ONLY. Although some reference is made, and advice given, regarding various metal turning techniques, it should not be regarded as a general tutorial on the subject.*

*It is assumed that the user has some knowledge of machinery of this type, and is familiar with metal turning and milling. If this is not the case, we strongly advise that he/she seek advice from a qualified person.*

**This is an important document and should be retained**

## **DECLARATION OF CONFORMITY**
