

NEW Spit Pulsa 800P+ Cordless Gas Nailer

The NEW Pulsa 800P+ cordless gas nailer is the fastest and most reliable solution for fixing drywall to steel and concrete.

LITHIUM-ION

Includes:

Spit Pulsa 800P+ Cordless Gas Nailer, high impact carry case, Li-ion battery, Li-ion battery charger, safety goggles with EN166 (B & F markings), allen key and instruction manual.

Eurocode & Description

Eurocode: 018352	Box Qty
Pulsa 800P+ (20 Pin Magazine)	1
Eurocode: 018353	Box Qty
Pulsa 800P+ (50 Pin Magazine)	1

Technical Specification

Weight:	3.8kg
Dimensions: (LxIxH)	396 x 114 x 309mm (20 pin option)
	396 x 114 x 618mm (50 pin option)
Magazine Capacity:	20 or 50 pin option
Impact Force:	100J
Actuation Pressure:	4.5kg
Intermittent operation:	2 pins per second
Fuel Cell Life:	600 shots

Noise / Vibration Information

Noise Emissions: Measured values determined according to EN 12549.
LwA, 1s dB (A) 108
LpA, 1s dB (A) 101

HAV: The typical weighted acceleration does not exceed **4.5m/s²**.

Features and Advantages

- **50 Pin Magazine** - easy loading magazine, ideal for high volume repetitive work

Available as an accessory or complete with tool.

For a full list of features and advantages refer to page 6.

Battery Specification

Technology:	Lithium
Voltage:	3.7V
Capacity:	2.2Ah
Shots Per Charge:	1,500 min / up to 3,000
Charge Time:	90 mins (25 mins = 500 pins)

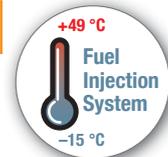

Drives 100% more pins per charge; up to 3,000 shots; a battery charge every 2 weeks only

LITHIUM-ION

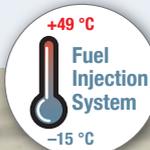

Intelligent Electronic Fuel Injection

Powered by an intelligent electronic fuel injection system. The fuel injection valve delivers the exact dosage of fuel required for the temperature, giving you the nailing performance you need between -15°C and +49°C.

NEW Spit Pulsa 800E Cordless Gas Nailer

The NEW Pulsa 800E cordless gas nailer is a secure and fast solution for fixing electrical cable management to steel and concrete.

Clip Elec

Includes:

Spit Pulsa 800E Cordless Gas Nailer, high impact carry case, single shot cover guard, Li-ion battery, Li-ion battery charger, safety goggles with EN166 (B & F markings), allen key and instruction manual.

Eurocode & Description

Eurocode: 018350 **Box Qty**
Pulsa 800E (20 pin magazine) 1

Technical Specification

Weight: 3.8kg
Dimensions: 385 x 114 x 309mm (LxHxW)
Magazine Capacity: 20 pins
Impact Force: 82J
Actuation Pressure: 4.5kg
Intermittent operation: 2 pins per second
Fuel Cell Life: 600 shots
