

DC18WA BATTERY CHARGER

DC18WA

DC18WA

The G-series range from Makita is a different lithium-ion battery platform to the Makita LXT range of professional cordless power tools, and is powered exclusively by the G-Series battery and DC18WA charger.

Produced to a quality far exceeding that of DIY products, the G-series range offers a comprehensive catalogue of tools at an attractive market price.

The G-Series battery is identifiable by the white or grey top section, and offers a 1.3 amp hour battery capacity in both 14.4v and 18v platforms. A 60-minute charge time is achieved with the G-Series DC18WA battery charger.

*G-Series batteries are not compatible with the Makita LXT range of cordless tools or chargers.

TECHNICAL SPECIFICATIONS

Voltage	240 v
Battery Range	14.4 - 18 v
Battery Type	Li-ion G-SERIES
Pack Quantity	1

USER BENEFITS

- For use with BL1813G and BL1413G
