

18V Li-ion 1.6mm Nibbler

DJN161Z

Models BJN161 are cordless nibblers developed with the same design concept as AC tool JN1601, featuring slim motor housing of DC angle grinder BGA450.

Punch and die (that are the same as those of JN1601), and a high cutting capacity.

Model DJN161Z is a Nibbler machine.
