1. Introduction

Thank you for purchasing a Sealey product. Manufactured to a high standard, this product will, if used according to these instructions, and properly maintained, give you years of trouble free performance.

1.1 Intended Use

The Superline PRO® Black Edition Rubber Wood Worktop is designed to provide a strong and durable work surface for use with compatible Superline PRO® modular workshop storage systems. It is intended for the organisation, assembly, maintenance, and repair of tools, equipment, and components in professional workshops, garages, and industrial environments. The solid rubber wood construction offers a robust working area suitable for a wide range of workshop applications. The worktop must be securely installed onto compatible cabinets or support units in accordance with the assembly instructions. This product is intended for indoor use only and should not be used as a lifting, standing, or climbing platform, or to support loads exceeding the capacity of the supporting storage system.

1.2 Description

Rubber wood worktop for use with all APMS Floor Cabinets. Worktop covers three base cabinets.

Country of origin: China.

2. Safety Symbols

Refer to instruction manual

Wear protective gloves

3. Safety

! **WARNING!** Read and understand these instructions before assembling or using the worktop.

- Ensure the worktop is securely fastened to the cabinets or racking system before use.
- Always assemble the product on a level surface.
- Keep children and unauthorised persons away from the work area.
- It is recommended that two people lift and position the worktop to avoid injury or damage to the product.
- Keep hands clear of pinch points during assembly.
- Inspect the worktop and fixings regularly, and replace damaged components before use.
- Keep the work area clean, dry, and free from obstructions.
- This product is intended for indoor use only.

⃠ **DO NOT** exceed the maximum load capacity of the supporting cabinets or storage system.

⃠ **DO NOT** stand, sit, climb, or place concentrated loads on the worktop.

! **WARNING!** Failure to follow these instructions may result in personal injury or damage to the product.

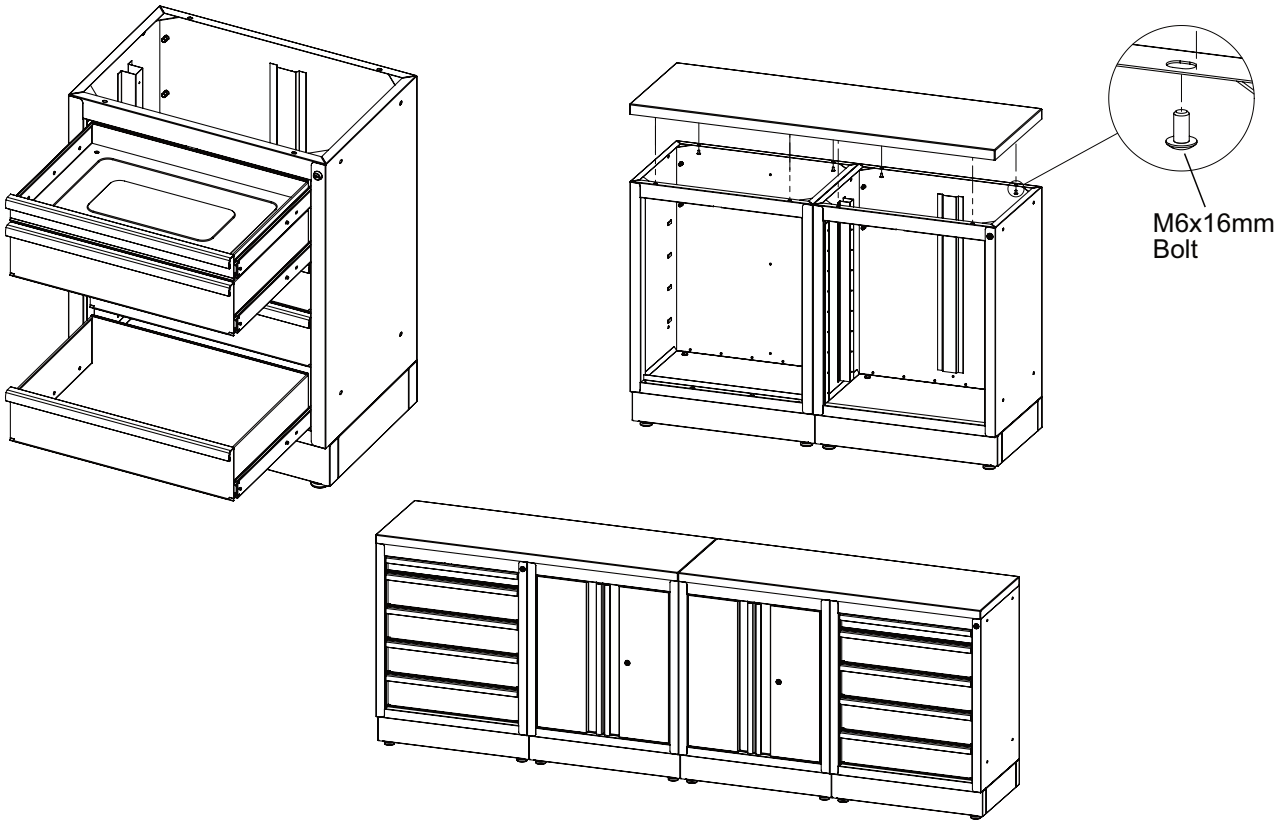

4. Specification

Model No:	**APMS30WB**
Overall Size (W x D x H):	1360 x 463 x 38mm

5. Assembly

Step.1

For ease of assembly, it is recommended that two people work together.

- Place the worktop on top of the cabinets.
- Align the pre-drilled holes in the worktop with the holes in the cabinets.
- Secure the worktop using the M6 × 16mm bolts provided.

Note: The required bolts are supplied with the cabinet or racking components.

6. Consumables & Accessories

A wide range of consumables and accessories are available.

Visit www.sealey.co.uk to explore our extensive range.

7. Maintenance

- Keep the rubber wood worktop clean and free from dust, dirt, oil, grease, and other workshop contaminants. Clean the surface regularly using a soft cloth and a mild cleaning solution, then wipe dry.

DO NOT use abrasive cleaners, solvents, or harsh chemicals, as these may damage the wood finish.

- Remove spills promptly to help prevent staining or moisture damage. Periodically inspect the worktop and all fixings to ensure they remain secure, tightening them if necessary. To maintain its appearance and prolong its service life, store and use the product indoors in a dry environment.
- Periodically inspect the fixing bolts and mounting points to ensure they remain secure, tightening them if necessary.

DO NOT exceed the worktop's specified load capacity, and avoid using the worktop for purposes other than those for which it is intended.

- Store and use the product indoors in a dry environment.
- Ensure shelf loads are distributed evenly and do not exceed the intended capacity. If the cabinet forms part of a modular storage system, check all mounting and connecting fixings regularly.

8. Warranty

- Guarantee is 60 months from purchase date, proof of which is required for any claim.

Please note that guarantee claims must be made via the place of purchase where you may need to provide proof of purchase. All consumable items are under no warranty period. All warranties exclude general wear and tear and misuse, see our terms of business for more details.

9. Aftersales Support

We are committed to supporting our products throughout their lifetime.

- If your product is outside of the warranty period, we offer an extensive range of spare parts along with expert technical advice to help keep your equipment in working order.
- Our technical team is on hand to assist 8.30am-5.00pm Mon-Fri with fault finding, repairs and general product queries.

  Telephone 01284 757505

  Email: technical@sealey.co.uk

If required, products can also be returned to Sealey or one of our authorised repair agents for inspection, servicing or repair at a reasonable cost.

Product Registration

It's quick and easy to register your warranty online at www.sealey.co.uk. Just log in or create a free MySealey account, then head to the 'My Products' section to fill out the short warranty registration form. If your product is advertised with a free extended warranty upon registration, this will activate your extended warranty.

Environment Protection

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
